Keep in touch!

The guide was first published in February 2025.

However, we recognise that publishing changes, Open Access changes. We therefore welcome any and all comments on the content included in the Copim Compass. Any observations can be sent directly to info@copim.ac.uk or using the Contact Details in the individual Books.

You can also leave comments directly on the text by marking up sections using hypothes.is. All are welcome; we hope you find Copim Compass of use!
