European Research Area (ERA)

The European Research Area (ERA) is the ambition to create a single, borderless market for research, innovation and technology across the EU. Find out more on European Commission website.

How to flip your journal: A guide to more equitable publishing with Diamond Open Access

This guide, an output of the Strengthening Diamond OA in the Netherlands project, is a comprehensive guide to the rationale and logistics of flipping a journal to Diamond OA; what routes are available, how they work, the financial aspect, and case studies for implementation. While it is speaking primarily to the Dutch context, the suggestions are more widely applicable.

PALOMERA Knowledge Base

The Knowledge Base is a collection of documents, such as reports, policies, survey results and statistics, relevant to Open Access (OA) policies regarding OA books in the ERA. The collection was created as part of the PALOMERA project.

It is an unparalleled resource in terms of providing a centralised hub for OA documents from across the ERA in a range of languages, varying greatly in scope from individual publisher guidelines to national mandates.
