University of Michigan Press

Michigan Publishing publishes scholarly and educational materials in a range of formats. Since spring 2021, the University of Michigan Press has been transitioning to an open access monograph model termed Fund to Mission.

They have shared Stories of Impact on their website, including:

- Three Years of Fund to Mission: Reaching 75% Open Access
- Breaking Down the Paywall: Author Relationships with Open Access
- What Happens When Ebooks are Free-to-Read? Reflecting on UMP's COVID-19 Response
- Opening Access to Books Increases Reach and Engagement
- Born-accessible Publishing is Good Book-making for Everyone
- Sustainable Publishing for Digital Scholarship in the Humanities
- When Digs Go Digital
