Long Term Accessibility - Plan the Future

Once you have completed the short-term accessibility tasks and are ready to think more fully about accessibility in the long term, we have extensive guidance to help you. The infographic below shows how we have structured this.

Open Book Accessibility

01

PLAN

Our Planning Tool - **10 SOAPT** Frameworks Models and Charters

02

CHECK

Checklists and auditing tools to help improve individual book files

03

LEARN

Understanding legislation and standards with learning resources

04

COMMUNICATE

Accessibility statements, author guidelines and sharing best practice

EVIDENCE
